### **Marginalia Extra Credit**

As you read your article, mark the page according to “marginalia,” the instructions are in the back of your workbook. Afterwards, answer the following questions. Print out and turn in this page *and* the annotated article to Ms. G by the end of the Quarter.

Title of the article I read:

Use **three** sentences to **summarize** the article:

Choose **two** of the vocabulary words you circled, and **define** them:

The article you chose should have focused on an area of Biology we have discussed in class. **Explain** how this article relates to what we have learned. Have you learned anything new about this subject? **At least 4 sentences.**
